**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

In the amendment filed under 37 CFR 1.312, Applicants comment on the Examiner's reason for allowance providing a statement for clarity of record. Examiner has reviewed the statement and the disclosure, and agrees that Applicants' statement better describes the nature of the invention. The specification provides both a new class of steroid receptors and the detailed characterization of the promoter element to which the class of steroid receptor binds.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Joseph Woitach whose telephone number is (571) 272-0739.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ram Shukla, can be reached at (571) 272-0735.

Any inquiry of a general nature or relating to the status of this application should be directed to the Group analyst Dianiece Jacobs whose telephone number is (571) 272-0532.

Joseph T. Woitach
